**1 After the ball.**

After the Ball is over, after the break of morn.

After the dancer's leaving, after the stars are gone.

Many a heart is aching, if you could see them all.

Many the hopes that have vanished, after the Ball.

**2 Alice blue gown.**

In my sweet little Alice blue gown,

When I first wandered down into town.

I was both proud and shy, as I felt every eye.

But in every shop window, I'd primp passing by.

Then in manner of fashion I'd frown.

Though world seemed to smile all around.

Till it wilted, I wore it, I'll always adore it.

my sweet little Alice blue gown.

### **3 All the way.**

When somebody loves you, it's no good unless he loves you....

All the way.

Happy to be near you, when you need someone to cheer you

All the way.

Taller than the tallest tree is, that's how it's got to feel.

Deeper than the deep blue sea is, that's how deep it goes if it's real.

When somebody needs you, it's no good unless he needs you....

All the way.

Through the good or lean years, and for all the in between years

Come what may.

Who knows where the road will lead us? Only a fool would say.

But if you let me love you, it's for sure I'm going to love you. "

All the way.

### **4 The best things in life**

The moon belongs to everyone, the best things in life are free. "

The stars belong to everyone. They gleam there for you and me.

The flowers in Spring, the robins that sing.

The sunbeams that shine, they're yours, they're mine.

And love can come to everyone, the best things in life are free.

**5 Button up your overcoat.**

Button up your overcoat, when the wind is free.

Take good care of yourself, you belong to me.

Eat an apple evry day, get to bed by three

Take good care of yourself, you belong to me.

Be careful crossing streets..oo...oo! don't eat meats ..oo oo!

Cut out sweets. ..oo...oo! You'll get a pain and ruin your tum..tum!

Keep away from bootleg hootch, when you're on a spree

Take good care of yourself, you belong to me.

**6 Bye bye blackbird**

Pack up all my care and woe, here I go singing low.

Bye bye blackbird. Where somebody waits for me.

Sugar's sweet, so is she. Bye bye blackbird

No one here can love and understand me.

Oh what hard luck stories they all hand me.

Make my bed and light ;the light, I'll arrive late tonight.

Blackbird... Bye bye.

**7. Drinking song.**

Drink! Drink! Drink!

To eyes that are bright as stars when they're shining on me.

Drink! Drink! Drink!

To lips that are red and sweet as the fruit on the tree.

Here's a hope that those bright eyes will shine.

Lovingly, longingly, soon into mine.

May those lips that are red and sweet,  
tonight with joy my own lips meet.

Drink! Drink! Let the toast start. May young hearts never part.

Drink! Drink! Drink!

Let every true over salute his sweetheart....Let's drink!

**8. Edelweiss.**

Edelweiss. Edelweiss. Every morning you greet me.

Small and white, clean and bright. You look happy to meet me.

Blossom of snow may you bloom and grow. Bloom and grow for ever.

Edelweiss. Edelweiss, bless my homeland forever.

### **9 Here lies love.**

The end has come, my heart is numb.

Twas like a bolt from the blue above.

I can't believe it, but you are gone darling, and...Here lies love

The sky is dark, I hear a lark. He sounds as sad as a mournful dove.

The dew appears like the tears of dawn darling for... Here lies love

All my dreams, lost beyond recall.

Dreams of Spring, blasted in the Fall.

You gave lips, you gave arms, I gave all.

I ought to cry, my eyes are dry.

There's only one thing I'm conscious of.

I only know that I can't go on darling, for... Here lies love

### **10. If you were the only girl in the world**

If you were the only girl in the world and I were the only boy?

Nothing else would matter in the world today.

We could go on loving, in the same old way.

A garden of Eden just made for two. With nothing to mar our joy.

I would say such wonderful things to you.

There would be such wonderful things to do.

If you were the only girl in the world and i were the only boy?

**11. I'll be seeing you.**

I'll be seeing you in all the old familiar places.  
That this heart of mine embraces, all day through.  
In that small cafe, the park across the way.  
The children's carousal, the chestnut trees, the wishing well.  
I'll be seeing you in every lovely summer's day.  
In everything that's light and gay. I'll always think of you that way.  
I'll find you in the morning sun, and when the night is new.  
I'll be looking at the moon, but I'll be seeing you.

**12. I love Paris.**

I love Paris in the Springtime. I love Paris in the Fall  
I love Paris in the Winter, when it drizzles.  
I love Paris in the Summer, when it sizzles. I love Paris every moment.  
Every moment of the year. I love Paris, why oh why do I love Paris?  
Because my love is near.

**13 I'm in the mood for love.**

I'm in the mood for love. Simply because you're near me.  
Funny but when you're near me, I'm in the mood for love.  
Heaven is in your eyes, bright as the stars we're under.  
Oh is it any wonder, I'm in the mood for love?  
Why stop to think of whether, this little dream might fade?  
We've put our hearts together, now we are one, I'm not afraid.  
If there's a cloud above, if it should rain we'll let it.  
But for tonight forget it. I'm in the mood for love

**14. Getting sentimental.**

Never thought I'd fall, but now I hear love call.

I'm getting sentimental over you.

Things you say and do, just thrill me though and through.

I'm getting sentimental over you.

I thought I was happy, I could live without love.

Now I must admit, love is all I'm thinking of.

Won't you please be kind, and just make up your mind.

That you'll be sweet and gentle, be gentle with me.

Because, I'm sentimental over you.

**15. In the good old summertime**

In the good old summertime. In the good old summertime.

Strolling through the shady lanes with your baby mine.

You hold her hand and she holds yours, and that's a very good sign.

That she's your tootsey wootsey in the good old summertime.

**16. It's a most unusual day.**

It's a most unusual day. Feel like throwing my worries away.

As an old native born Californian would say.

It's a most unusual day.

There's a most unusual sky, not a sign of a cloud passing by.

And if I want to sing, throw my heart in the ring.

It's a most unusual day.

There are people meeting people, there is sunshine everywhere.

There are people greeting people, and a feeling of Spring in the air.

It's a most unusual time, I keep feeling my temperature climb.

If my heart won't behave in the usual way,

Well there's only one thing to say...

It's a most unusual, most unusual, most unusual day.

**17. It's been a long long time.**

Just kiss me once, then kiss me twice, then kiss me once again.

It's been a long long time.

Haven't felt like this my dear since can't remember when.

It's been a long long time.

You'll never know how many times I dreamed about you.

Or just how empty they all seemed without you.

So kiss me once, then kiss me twice, then kiss me once again.

It's been a long long time.

**19. Long ago and far away.**

Long ago and far away, I dreamed a dream one day,  
and now that dream is here beside me. Long the skies were overcast.  
But now the clouds have passed. You're here at last.  
Chills run up and down my spine. Aladdin's lamp is mine.  
The dream I dreamed was not denied me. Just one look and then I knew  
That all I longed for long ago, was you.

**20. Look to the rainbow.**

On the day I was born, said my father to me.

“I’ve an elegant legacy waiting for thee.

Tis’ a rhyme for your lips and a song for your heart.

To sing it whenever the world falls apart.

Look, look, Look to the rainbow. Follow it over the hill and the stream.

Look, look, Look to the rainbow.

Follow the fellow who follows a dream.

Look, look, Look to the rainbow. Follow it over the hill and the stream.

Look, look, Look to the rainbow.

Follow the fellow who follows a dream.

Follow the fellow, Follow the fellow,

Follow the fellow who follows a dream.

**21. Love is a many splendored thing.**

Love is a many splendored thing.

It’s the April rose that only grows in the early Spring.

Love is nature’s way of giving a reason to be living.

A golden crown that makes a man a king.

Once on a high and windy hill,

In the morning mist, two lovers kissed and the world stood still.

Then your fingers touched my silent heart and taught it how to sing.

Yes, true love’s a many splendored thing.

**22 Now is the hour.**

Now is the hour, when we must say goodbye.  
Soon you'll be sailing, far across the sea.  
While you're away, oh then remember me.  
When you return, you'll find me waiting here.

**23. Two sleepy people**

Here we are, out of cigarettes,  
Holding hands and yawning, look how late it gets.  
Two sleeping people by dawn's early light.  
And too much in love to say "goodnight."  
Here we are, in the cozy chair.  
Picking on a wishbone, from the Frigidaire.  
Two sleepy people, with nothing to say.  
And too much in love to break away.  
Do you remember the nights we used to linger in the hall?  
Father didn't like you at all.  
Do you remember the reason we married in the Fall?  
To rent this little nest. And get a bit of rest.  
Well here we are just about the same.  
Foggy little fellow, drowsy little dame  
Two sleeping people by dawn's early light.  
And too much in love to say "goodnight."
