## 1. The Love Nest

Just a Love Nest, cosy with charm,  
 Like a dove nest, down on a farm,  
 A veranda with some sort of clinging vine,  
 And a kitchen where some Rambler roses twine.  
 Then a small room, tea set of blue,  
 Best of all room, dream room for two,  
 Better than a palace with a gilded dome,  
 Is a Love Nest, you can call home.

## 2. My Heart Cries For You

If you're in Arizona, I'll follow you,  
 if you're in Minnesota, I'll be there too,  
 You'll have a million chances to start anew, because my love is endless for you.  
 My Heart Cries For You, sighs for you, dies for you,  
 And my arms long for you, please come back to me.

The bloom has left the roses, since you left me,  
 The birds have left my window since you left me.  
 I'm lonely as a sailboat that's lost at sea, I'm lonely as a human can be.  
 My Heart Cries For You, sighs for you, dies for you,  
 And my arms long for you, please come back to me.

An unimportant quarrel was what we had,  
 We have to learn to live with the good and bad,  
 Together we were happy, apart we're sad, this loneliness is driving me mad.  
 My Heart Cries For You, sighs for you, dies for you,  
 And my arms long for you, please come back to me.

## 3. My Romance

My Romance doesn't have to have a moon in the sky,  
 My Romance doesn't need a blue lagoon standing by.  
 No month of May, no twinkling stars, no hideaway, no soft guitars.  
 My Romance doesn't need a castle rising in Spain,  
 Nor a dance to a constantly surprising refrain.  
 Wide awake, I can make my most fantastic dreams come true.  
 My Romance doesn't need a thing but you.

#### 4. Nature Boy

There was a boy, a very strange enchanted boy.  
They say he wandered very far, very far, over land and sea.  
A little shy and sad of eye, but very wise was he.

And then one day, one magic day, he came my way.  
And as we spoke of many things, fools and kings, this he said to me,  
The greatest thing you'll ever learn is just to love and be loved in return.

#### 5. Paper Doll

I'm goin' to buy a Paper Doll that I can call my own,  
A doll that other fellows can not steal.  
And then the flirty, flirty guys, with their flirty, flirty eyes,  
Will have to flirt with dollies that are real.  
When I come home at night she will be waiting,  
She'll be the truest doll in all this world.  
I'd rather have a Paper Doll to call my own,  
Than have a fickle-minded real live girl.

#### 6. Put Your Arms Around Me, Honey

Put Your Arms Around Me, Honey, hold me tight.  
Huddle up and cuddle up with all your might.  
Oh, oh, won't you roll those eyes, eyes that I just idolize.

When they look at me, my heart begins to float,  
Then it starts arockin' like a motor boat.  
Oh, oh, I never knew any girl/boy like you.

#### 7. Secret Love

Once I had a Secret Love, that lived within the heart of me.  
All too soon my Secret Love became impatient to be free.  
So I told a friendly star, the way that dreamers often do,  
Just how wonderful you are, and why I'm so in love with you.  
Now I shout it from the highest hills, even told the golden daffodils.  
At last my heart's an open door, and my secret love's no secret anymore.

## 8. September in the Rain

The leaves of brown kept tumbling down, remember,  
In September in the Rain?  
The sun went out just like a dying ember,  
That September in the Rain.

To ev'ry word of love I heard you whisper,  
The raindrops seemed to play a sweet refrain.  
Though Spring is here, it's still September,  
That September in the Rain.

## 9. Spanish Eyes

Blue Spanish Eyes, teardrops are falling from your Spanish Eyes.  
Please, please don't cry, this is just adios and not goodbye.  
Soon I'll return, bringing you all the love your heart can ever hold.  
Please say, Si, Si; say you and your Spanish Eyes will wait for me.

Blue Spanish Eyes, prettiest eyes in all of Mexico,  
True Spanish Eyes, please smile for me once more before I go.  
Soon I'll return, bringing you all the love your heart can ever hold.  
Please say, Si, Si; say you and your Spanish Eyes will wait for me.

## 10. A Spoonful of Sugar

In ev'ry job that must be done, there is an element of fun,  
You find the fun and snap, the job's a game!  
And ev'ry task you undertake becomes a piece of cake,  
A lark, a spree, it's very clear to see,

That A Spoonful of Sugar helps the medicine go down,  
The medicine go down, medicine go down;  
Just A Spoonful of Sugar helps the medicine go down,  
In the most delightful way.

A robin feathering his nest has very little time to rest  
While gathering his bits of twine and twig.  
Though quite intent in his pursuit,  
He has a merry time to toot,  
He knows a song will move the job along.

For A Spoonful of Sugar helps the medicine go down,  
The medicine go down, medicine go down;  
Just A Spoonful of Sugar helps the medicine go down,  
In the most delightful way.

The honey bees that fetch the nectar from the flowers to the comb,  
Never tire of buzzing to and fro,  
Because they take a little nip from ev'ry flower that they sip,  
And hence they find their task is not a grind.

For A Spoonful of Sugar helps the medicine go down,  
The medicine go down, medicine go down;  
Just A Spoonful of Sugar helps the medicine go down,  
In the most delightful way.

## 11. Stairway to the Stars

Let's build a Stairway to the Stars and climb that Stairway to the Stars,  
With love beside us, just like a beautiful song.  
We'll hear the sound of violins, out yonder where the blue begins,  
The moon will guide us as we go drifting along.

Can't we sail away on a lazy, daisy petal, over the rim of the hill?  
Can't we sail away on a little dream and settle, high on the crest of a thrill?  
Let's build a Stairway to the Stars, a lovely Stairway to the Stars,  
It would be Heaven to climb to Heaven with you.

## 12. A Taste of Honey

Winds may blow o'er the icy sea; I'll take with me, the warmth of thee,  
A Taste of Honey, a taste much sweeter than wine.  
I will return, I'll return, I'll come back for the honey and you.

I'll leave behind my heart to wear, and may it e'er remind you of  
A Taste of Honey, a taste much sweeter than wine.  
I will return, I'll return, I'll come back for the honey and you.

He ne'er came back to his love, so fair, and so she died dreaming of his kiss,  
His kiss was honey, a taste more bitter than wine.  
I will return, I'll return, I'll come back for the honey and you.  
I'll come back for the honey and you.

## 13. That Lucky Old Sun

Up in the morning, out on the job, work like the Devil for my pay,  
But that Lucky Old Sun has nothing to do, but roll around Heaven all day.  
Fuss with my woman, toil for my kids, sweat 'till I'm wrinkled and gray,  
While that Lucky Old Sun has nothin' to do, but roll around Heaven all day.  
Good Lawd above, can't you know I'm pinin', tears all in my eyes.  
Send down that cloud with a silver linin', lift me to Paradise.  
Show me the river, take me across and wash all my troubles away,  
Like that Lucky Old Sun, give me nothin' to do, but roll around Heaven all day.

### 14. Three O'Clock in the Morning

It's Three O'Clock in the Morning, we've danced the whole night through,  
And daylight soon will be dawning, just one more waltz with you.  
That melody so entrancing, seems to be made for us two.  
I could just keep right on dancing forever dear with you.

### 15. Throw Another Log on the Fire

Throw Another Log on the Fire, keep my golden memories aglow;  
I don't see the face of my loved one, when the logs are burning low.  
Throw Another Log on the Fire, bring back all the sweetest days I've known;  
When our hearts were young in the Springtime, and her love was mine alone.  
Now there's nothing left but the embers, Springtime seems so long ago.  
Throw Another Log on the Fire; keep my golden mem'ries aglow.

### 16. These Foolish Things

A cigarette that bears a lipstick's traces,  
An airline ticket to romantic places,  
And still my heart has wings; These Foolish Things remind me of you.

A tinkling piano in the next apartment,  
Those stumbling words that told you what my heart meant,  
A fairground's painted swings; These Foolish Things remind me of you.

You came, you saw, you conquered me;  
When you did that to me, I knew somehow this had to be.

The winds of March that make my heart a dancer,  
A telephone that rings but who's to answer?  
Oh how the ghost of you clings. These Foolish Things remind me of you.

### **17. The Way You Look Tonight**

Someday when I'm awfully low, when the world is cold,  
I will feel a glow just thinking of you, and The Way You Look Tonight.  
Oh but you're lovely, with your smile so warm, and your cheek so soft,  
There is nothing for me but to love you, just The Way You Look Tonight.

With each word your tenderness grows, tearing my fear apart.  
And that laugh that wrinkles your nose, touches my foolish heart.

Someday when I'm awfully low, when the world is cold,  
I will feel a glow just thinking of you, and The Way You Look Tonight.

### **18. We'll Meet Again**

We'll Meet Again, don't know where, don't know when,  
But I know We'll Meet Again some sunny day.  
Keep smiling through, just like you always do,  
Till the blue skies drive the dark clouds away.

So will you please say hello to the folks that I know, tell them I won't be long;  
They'll be happy to know, that as you saw me go, I was singing this song.

We'll Meet Again, don't know where, don't know when,  
But I know We'll Meet Again some sunny day.

### **19. Where Is Your Heart ( Song From Moulin Rouge )**

Whenever we kiss, I worry and wonder,  
Your lips may be near but Where Is Your Heart?  
It's always like this, I worry and wonder,  
You're close to me here, but Where Is Your Heart?

It's a sad thing to realize that you've a heart that never melts,  
When we kiss, do you close your eyes, pretending that I'm someone else?

You must break this spell, this cloud that I'm under,  
So please, won't you tell, darling, Where Is Your Heart.

## 20. Who Can I Turn To?

Who Can I Turn To, when nobody needs me?  
 My heart wants to know and so I must go where destiny leads me.  
 With no star to guide me, and no one beside me,  
 I'll go on my way, and after the day, the darkness will find me.

And maybe tomorrow, I'll find what I'm after;  
 I'll throw off my sorrow, beg, steal or borrow my share of laughter.  
 With you I could learn to.... with you on a new day....  
 But Who Can I Turn To if you turn away.

## 21. Witchcraft

Those fingers in my hair, that sly come hither stare,  
 That strips my conscience bare, it's Witchcraft.  
 And I've got no defense for it, the heat is too intense for it,  
 What good would common sense do?  
 Cause it's Witchcraft, wicked Witchcraft,  
 And although I know it's strictly taboo,  
 When you arouse the need in me, my heart says "Yes indeed in me,  
 Proceed with what you're leading me to."  
 It's such an ancient pitch, but one I wouldn't switch,  
 'Cause there's no nicer witch than you.

## 22. Wouldn't It Be Loverly?

All I want is a room somewhere, far away from the cold night air,  
 With one enormous chair, Oh Wouldn't It Be Loverly?  
 Lots of choc'late for me to eat, lots of coal makin' lots of heat;  
 Warm face, warm hands, warm feet, Oh Wouldn't It Be Loverly?  
 Oh so loverly sittin' absobluminalutely still,  
 I would never budge 'till Spring crept over the window sill.  
 Someone's head restin' on my knee, warm and tender as he can be,  
 Who takes good care of me, Oh Wouldn't It Be Loverly?  
 Loverly, loverly, loverly, loverly!

### 23. You Light Up My Life

So many nights, I'd sit by my window,  
 Waiting for someone to sing me his song.  
 So many dreams, I kept deep inside me, alone in the dark,  
 But now you've come along.

And You Light Up My Life, you give me hope to carry on,  
 You light up my days and fill my nights with song.

Rollin' at sea, adrift on the waters,  
 Could it be fin'lly I'm turning for home?  
 Fin'lly a chance to say, "Hey, I love you;"  
 Never again to be all alone.

And You Light Up My Life, you give me hope to carry on,  
 You light up my days and fill my nights with song.  
 It can't be wrong when it feels so right,  
 'Cause you, You Light Up My Life.

### 24. You Made Me Love You

You Made Me Love You, I didn't want to do it, I didn't want to do it.  
 You made me want you, and all the time you knew it, I guess you always knew it.  
 You made me happy sometimes, you made me glad;  
 But there were times dear, you made me feel so bad.

You made me sigh for, I didn't wanna tell you, I didn't wanna tell you.  
 I want some love's that's true, yes I do, deed I do, you know I do.  
 Gimme, gimme what I cry for;  
 You know you got the brand of kisses that I'd die for.  
 You know You Made Me Love You.

## 25. Vaya Con Dios

Now the haciends's dark, the town is sleeping,  
Now the time has come to part, the time for weeping.  
Vaya Con Dios my darling, Vaya Con Dios ( May God be with you ) my love.

Now the village mission bells are softly ringing.  
If you listen with your heart, you'll hear them singing.  
Vaya Con Dios my darling, Vaya Con Dios (May God be with you ) my love.

Wherever you may be, I'll be beside you  
Although you're many million dreams away.  
Each night I'll say a pray'r, a pray'r to guide you,  
To hasten ev'ry lonely hour of ev'ry lonely day.

Now the dawn is breaking through a gray tomorrow,  
But the memories we share are there to borrow.  
Vaya Con Dios my darling, Vaya Con Dios ( May God be with you ) my love.
