### 1. Because of You

Because of You there's a song in my heart  
Because of You my romance had its start  
Because of You the sun will shine  
The moon and stars will say you're mine  
Forever and never to part.  
I only live for your love and your kiss  
It's paradise to be near you like this  
Because of You my life is now worthwhile  
And I can smile, Because of You.

### 2. Don't Get Around Much Anymore

Missed the Saturday dance; heard they crowded the floor.  
Couldn't bear it without you; Don't Get Around Much Anymore.  
Thought I'd visit the club; got as far as the door.  
They'd have asked me about you; Don't Get Around Much Anymore.

Darling, I guess my mind's more at ease.  
But nevertheless, why stir up memories?

Been invited on dates, might have gone, but what for?  
Awfully different without you; Don't Get Around Much Anymore.

### 3. A Dream is a Wish Your Heart Makes

A Dream is a Wish Your Heart Makes, when you're fast asleep.  
In dreams you will lose your heartaches,  
Whatever you wish for you keep.

Have faith in your dreams, a  
nd someday, your rainbow will come shining through.  
No matter how your heart is grieving, if you just keep believing  
The dream that you wish will come true.

#### 4. Come Prima (For The First Time)

For The First Time, For The First Time, I'm in love  
 For The First Time, For The First Time, I found happiness.  
 From the moment I saw you I was enraptured.  
 Ev'ry moment after that I've lived in the clouds.  
 For The First Time, yes the first time, I can thrill.  
 For The First Time, I love you and always will.  
 You're the first one, yes the first one  
 You're my one-and-only one,  
 For The First Time, For The First Time, I'm in love.

#### 5. Four

Of the wonderful things that you get out of life there are Four.  
 And they may not be many but nobody needs any more.  
 Of the many facts making the list of life,  
 Truth takes the lead.  
 And to relax knowing the gist of life, it's truth you need.  
 Then the second is honor and happiness makes number three.  
 When you put them together you know what the last one must be.  
 Baby so the truth, honor and happiness and one thing more,  
 Meaning only wonderful, wonderful love that'll make Four.

#### 6. The Hawaiian Wedding Song

This is the moment I've waited for.  
 I can hear my heart singing.  
 Soon bells will be ringing.  
 This is the moment of sweet "Aloha".  
 I will love you longer than forever  
 Promise me that you will leave me never  
 Here and now, dear  
 All my love I vow, dear  
 Promise me that you will leave me never  
 I will love you longer than forever  
 Now that we are one.  
 Clouds won't hide the sun.  
 Blue skies of Hawaii smile  
 On this, our wedding day.  
 (I do) I do, (Love you) Love you, With all my heart.

## 7. IF

IF a picture paints a thousand words, then why can't I paint you?  
 The words will never show, the you I've come to know.  
 IF a face could launch a thousand ships, then where am I to go?  
 There's no one home but you; you're all that's left me too.  
 And when, my love, for life is running dry,  
 You come, and pour, yourself, on me.  
 IF a man could be two places at one time I'd be with you.  
 Tomorrow and today, beside you all the way.  
 IF the world should stop revolving spinning slowly down to die,  
 I'd spend the end with you, and when the world was through,  
 Then one, by one, the stars would all go out  
 and you, and I, would simply fly away.

## 8. If I Were A Bell

Ask me how do I feel; ask me now that we're cosy and clingin'.  
 Well, sir, all I can say, is If I Were a Bell, I'd be ringin'.  
 From the moment we kissed tonight; that's the way I've just gotta behave.  
 Boy, if I were a lamp, I'd light; or if I were a banner, I'd wave.  
 Ask me how do I feel; little me with my quiet upbringing.  
 Well, sir, all I can say; is if I were a gate, I'd be swinging.  
 And if I were a watch; I'd start popping my spring.  
 Or If I Were a Bell, I'd go ding dong, ding dong ding.

## 9. Whispering

Whispering while you cuddle near me,  
 Whispering so no one can hear me.  
 Each little whisper seems to cheer me  
 I know it's true there's no one, dear, but you  
 You're Whispering, why you'll never leave me.  
 Whispering why you'll never grieve me.  
 Whisper and say that you believe me.  
 Whispering that I love you.

## 10. I'll Never Fall In Love Again

What do you get when you fall in love?  
A guy with a pin to burst your bubble  
That's what you get for all your trouble  
I'll Never Fall in Love Again, I'll Never Fall in Love Again.

What do you get when you kiss a guy?  
You get enough germs to catch pneumonia  
After you do, he'll never phone ya,  
I'll Never Fall in Love Again, I'll Never Fall in Love Again.

Don't tell me what's it all about  
'Cause I've been there and I'm glad I'm out  
Out of those chains, those chains that bind you  
That is why I'm here to remind you.

What do you get when you fall in love?  
You only get a life of pain and sorrow  
So for at least until tomorrow  
I'll Never Fall in Love Again, I'll Never Fall in Love Again.

## 11. The Ladies of Calcutta

I've kissed the girls of Naples, they're pretty as can be  
I've also kissed some French girls who came from Patee  
The Spanish girls are lovely, oh yes, indeed they are  
But The Ladies of Calcutta are sweeter by far.

The Ladies of Calcutta will steal your heart away  
And after it is stolen you'll say  
I've kissed the girls of Naples, I've kissed them in Patee  
But the ladies of Calcutta do something to me.

## 12. It's so Nice to Have a Man Around the House

It's So Nice To Have a Man Around the House.  
 Oh so nice to have a man around the house.  
 Someone sweet whose glad he found you.  
 Who will put his arms around you,  
 And his kisses just astound you, it's so nice.

Oh, a house is just a house without a man.  
 He's the necessary evil in your plan.  
 There are many things about him,  
 You just cannot do without him,  
 Though it's just a constant game of cat and mouse.  
 It's So Nice To Have a Man Around the House.

It's So Nice To Have a Man Around the House.  
 Oh so nice to have a man around the house.  
 Just a guy in pipe and slippers  
 Who will share your breakfast kippers  
 And will help you zip your zippers, it's so nice

Oh, a house is just a house without a man.  
 He's that necessary evil in your plan.  
 Someone kind who knows you treasure  
 Any simple little pleasure  
 Like a full length mink to cover last year's blouse.  
 It's So Nice To Have a Man Around the House.

## 13. Lullaby of Birdland

Lullaby of Birdland that's what I, always hear, when you sigh,  
 Never in my word land could there be words, to reveal in a phrase how I feel.  
 Have you ever heard two turtle doves? bill and coo, when they love  
 That's the kind of magic music we make with our lips when we kiss.

And there's a weepy old willow; he really knows how to cry  
 That's how I cry in my pillow; if you should tell me farewell and goodbye.

Lullaby of Birdland whisper low, Kiss me sweet and we'll go.  
 Flying high in birdland, high in the sky,  
 Up above all because we're in love.

#### 14. It Was A Very Good Year

When I was seventeen, It Was a Very Good Year  
It was a very good year for small town girls  
And soft summer nights, we'd hide from the lights  
On the village green, when I was seventeen.

When I was twenty-one, It Was a Very Good Year.  
It was a very good year for city girls  
Who lived up the stairs, with perfumed hair  
That came undone, when I was twenty-one.

When I was thirty-five, It Was a Very Good Year  
It was a very good year for blue-blooded girls  
Of independent means, we'd ride in limousines,  
Their chauffeurs would drive, when I was thirty-five.

But now the days are short, I'm in the autumn of my years  
And I think of my life as vintage wine  
From fine old kegs, from the brim to the dregs,  
It poured sweet and clear, It Was a Very Good Year.

#### 15. Lets Build a Stairway To The Stars

Let's build a Stairway To The Stars, and climb that Stairway To The Stars  
With love beside us, to fill the night with a song  
We'll hear the sound of violins, out yonder where the blue begins.  
The moon will guide us, as we go drifting along.

Can't we sail away on a lazy daisy petal  
Over the rim of the hill?  
Can't we sail away on a little dream  
And settle high on the crest of a thrill!

Let's build a Stairway To The Stars; a lovely Stairway To The Stars.  
It would be heaven to climb to heaven with you.

## 16. Jamaica Farewell

Down the way were the nights are gay  
And the sun shines daily on the mountain top.  
I took a trip on a sailing ship  
And when I reached Jamaica I made a stop.

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town.

Sounds of laughter everywhere  
And the dancing girls swaying to and fro  
I must declare my heart is there  
Though I've been from Maine to Mexico.

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town

Down at the market you can hear  
Ladies cry out while on their heads they bear  
'Akey' rice, salt fish are nice  
And the rum is fine any time of year

But I'm sad to say I'm on my way  
Won't be back for many a day  
My heart is down, my head is turning around  
I had to leave a little girl in Kingston town.

## 17. Love Me Or Leave Me

Love Me Or Leave Me and let me be lonely  
 You won't believe me but I love you only  
 I'd rather be lonely than happy with somebody else.

You might find the night time the right time for kissing;  
 But night time is my time for just reminiscing.  
 Regretting instead of forgetting with somebody else.

There'll be no one unless that someone is you  
 I intend to be independently blue.

I want you love, don't wanna borrow  
 Have it today to give back tomorrow  
 Your love is my love, there's no love for nobody else.

## 18. Never On A Sunday

Oh, you can kiss me on a Monday  
 A Monday, a Monday is very very good.  
 Or you can kiss me on a Tuesday  
 A Tuesday, a Tuesday in fact I wish you would.  
 Or you can kiss me on a Wednesday,  
 A Thursday, a Friday, and Saturday is best,  
 But never Never On A Sunday  
 A Sunday, a Sunday 'cause that's my day of rest.

Most any day, you can be my guest  
 Any day you say but my day of rest.  
 Just name the day that you like the best,  
 Only stay away on my day of rest.

You can kiss me on a cool day  
 A hot day, a wet day which ever one you choose.  
 Or try to kiss me on a grey day  
 A May day, a pay day and see if I refuse.  
 And if you make it on a bleak day  
 A freak day, a week day why you can be my guest.  
 But never, Never On A Sunday  
 A Sunday's the one day I need a day to rest.

## 19. Nola

Nola is like a dream come true, she's sweet and unaffected,  
 Everything Nola seems to do, is really unexpected.  
 Nola has twinkling eyes of blue and cherry lips perfected,  
 Everything nice, like sugar and spice is Nola.

Walking along the thoroughfare, she always draws attention,  
 All of the fellas stop to stare, she's called the fourth dimension.  
 But if they think, that she could care, it's mere misapprehension,  
 Wait till you see the angel with me, It's Nola.

On her hand, she wears a diamond ring, mighty pretty thing,  
 I'm the one who saved and bought it.  
 There's a house, with roses all around it,  
 Awfully glad I found it, lucky I can just afford it.  
 When she's near the Winter turns to spring,  
 Bells begin to ring, there's a magic charm about her.  
 She's divine, and she's mine,  
 I'm in love, So in love with Nola.

## 20. No Other Love

No Other Love can warm my heart  
 Now that I've known the comfort of your arms  
 No Other Love,

Oh the sweet contentment that I find,  
 With you everytime, ev'rytime.

No other lips could want you more,  
 For I was born to glory in your kiss, forever yours.  
 I was blessed with love to love you  
 Till the stars burn out above you  
 Till the moon is but a silver shell  
 No Other Love, let no other love know the wonder of your spell.

## 21. One For My Baby

It's quarter to three, there's no one in the place except you and me.  
So set 'em' up Joe, I got a little story you oughtta know.  
We're drinking my friend, to the end of a brief episode  
Make it One For My Baby, and one more for the road.

I got the routine, so drop another nickel in the machine.  
I'm feeling so bad, I wish you'd make the music dreary and sad.  
Could tell you a lot, but you've got to be true to your code.  
Make it One for My Baby, and one more for the road.

You'd never know it, but buddy I'm a kind of poet  
And I've got a lot of things to say  
And when I'm gloomy, you simply gotta listen to me  
Until it's talked away.

Well, that's how it goes, and Joe I know you're gettin' anxious to close  
So thanks for the cheer, I hope you didn't mind, my bending your ear.  
This torch that I found, must be drowned, or it soon might explode.  
Make it One For My Baby, and one more for the road,  
That long, long road.

## 22. Only You

Only You can make this world seem right  
Only You can make the darkness bright.  
Only You and you alone  
Can thrill me like you do  
And fill my heart with love for Only You.

Only You can make this change in me  
For it's true, you are my destiny  
When you hold my hand  
I understand the magic that you do  
You're my dream come true  
My one and Only You.

### 23. Our Day Will Come

Our Day Will Come, and we'll have everything.  
 We'll share the joy, falling in love can bring.  
 No one can tell me that I'm too young to know,  
 I love you so, and you love me.

Our Day Will Come, if we just wait a while.  
 No tears for us, think love and wear a smile.  
 Our dreams have magic because, we'll always stay in love this way.  
 Our Day Will Come.

Our Day Will Come, and we'll have everything.  
 We'll share the joy, falling in love can bring.  
 No one can tell me that I'm too young to know  
 I love you so, and you love me

Our Day Will Come, and we'll have everything.  
 We'll share the joy, falling in love can bring.  
 Our dreams have magic because, we'll always stay in love this way,  
 Our Day Will Come, Our Day Will Come, Our Day Will Come.

### 24. Raindrops Keep Falling On My Head

Raindrops Keep Fallin' On My Head.  
 And just like the guy whose feet are too big for his bed, nothing seems to fit  
 Those raindrops are fallin' on my head, they keep a-fallin'.

So I just did me some talkin' to the sun,  
 And I said I didn't like the way he got things done, sleeping on the job  
 Those, raindrops are fallin' on my head, they keep a-fallin';

But there's one thing I know, the blues they send to meet me, won't defeat me;  
 It won't be long till happiness steps up to greet me.

Raindrops Keep Fallin' On My Head.  
 But that doesn't mean my eyes will soon be turning red, cryin's not for me  
 Cause I'm never gonna stop the rain by complain', because I'm free,  
 Nothing's worrying me.

## 25. Scotch and Soda

Scotch and Soda, mud in your eye  
 Baby, do I feel high?  
 Oh, me, oh, my, do I feel high?  
 Dry martini, jigger of gin.  
 Oh, what a spell you've got me in.  
 Oh, my, do I feel high?

People won't believe me  
 They say that I'm just braggin'  
 But I could feel the way I do  
 And still be on the wagon.

All I need is one of your smiles  
 Sunshine of your eyes, oh, me, oh, my  
 Do I feel higher than a kite can fly?  
 Give me lovin', baby, I feel high

## 26. Sentimental Journey

Gonna take a Sentimental Journey,  
 Gonna set my heart at ease,  
 Gonna make a Sentimental Journey,  
 To renew old memories.

Got my bag, I got my reservation,  
 Spent each dime I could afford.  
 Like a child in wild anticipation,  
 Long to hear that: "all aboard!"

Seven, that's the time we leave at seven, I'll be waitin' up for Heaven,  
 Countin' ev'ry mile of railroad track - that takes me back.

Never thought my heart could be so yearny,  
 Why did I decide to roam?  
 Gotta take this Sentimental Journey,  
 Sentimental Journey home.

## 27. Speak Low

Speak Low when you speak, love  
 Our summer day withers away too soon, too soon  
 Speak low when you speak, love  
 Our moment is swift, like ships adrift, we're swept apart, too soon.

Speak Low, darling, Speak Low.  
 Love is a spark, lost in the dark too soon, too soon  
 I feel wherever I go  
 That tomorrow is near, tomorrow is here and always too soon.

Time is so old and love so brief, Love is pure gold and time a thief.

We're late, darling, we're late  
 The curtain descends, everything ends too soon, too soon  
 I wait, darling, I wait  
 Will you speak low to me, speak love to me and soon.

## 28. That Old Black Magic

That Old Black Magic has me in its spell  
 That Old Black Magic that you weave so well.  
 Those icy fingers up and down my spine.  
 The same old witchcraft when your eyes meet mine.  
 The same old tingle that I feel inside  
 And then that elevator starts its ride.  
 And down and down I go, round and round I go  
 Like a leaf that's caught in the tide.

I should stay away but what can I do?  
 I hear your name and I'm aflame.  
 Aflame with such a burning desire,  
 That only your kiss can put out the fire.

'Cause you're the lover I have waited for,  
 The mate that fate had me created for,  
 And every time your lips meet mine,  
 Darling, down and down I go, round and round I go,  
 In a spin, loving the spin that I'm in  
 Under that old black magic called love.

### 29. That's an Irish Lullaby

Over in Killarney, many years ago,  
 My Mither sang a song to me, in tones so sweet and low.  
 Just a simple, little ditty, in her good old Irish way,  
 And I'd give the world if I could sing, that song of hers this day.

Too ra Loo ra loo ral, Too ra loo ra li,  
 Too ra Loo ra loo ral, hush now don't you cry!  
 Too ra Loo ra loo ral, Too ra loo ra li,  
 Too ra Loo ra loo ral, That's an Irish lullaby.

Oft in dreams I wander, to that cot again,  
 I feel her arms a-huggin' me, as when she held me then.  
 And I hear her voice a-hummin', to me as in days of yore,  
 When she used to rock me fast asleep, outside the cabin door.

Too ra Loo ra loo ral, Too ra loo ra li,  
 Too ra Loo ra loo ral, hush now don't you cry!  
 Too ra Loo ra loo ral, Too ra loo ra li,  
 Too ra Loo ra loo ral, That's an Irish lullaby.

### 30. There Will Never Be Another You

There will be many other nights like this,  
 And I'll be standing here with someone new.  
 There will be other songs to sing,  
 Another fall...another spring...  
 But there will never be another you.

There will be other lips that I may kiss,  
 But they won't thrill me,  
 Like yours used to do.  
 Yes, I may dream a million dreams,  
 But how can they come true,  
 If there will never, ever be another you?

### 31. The Song Is You

I hear music when I look at you,  
 A beautiful theme of every dream I ever knew.  
 Down deep in my heart I hear it play,  
 I feel it start, then melt away.

I hear music when I touch your hand.  
 A beautiful melody from some enchanted land.  
 Down deep in my heart, I hear it say  
 "Is this the day?"

Why can't I let you know the song my heart would sing?  
 Beautiful rhapsody of love and youth and spring  
 The music is sweet, and the words are true  
 The Song Is You.

### 32. Twilight Time

Heavenly shades of night are falling, it's Twilight Time,  
 Out of the mist your voice is calling, it's Twilight Time.  
 When purple colored curtains mark the end of day  
 I'll hear you, my dear, at Twilight Time.

Deepening shadows gather splendor as day is done  
 Fingers of night will soon surrender the setting sun  
 I count the moments darling till you're here with me  
 Together at last at Twilight Time.

Here in the afterglow of day, We keep our rendezvous beneath the blue.  
 Here in the sweet and same old way, I fall in love again as I did then.

Deep in the dark your kiss will thrill me like days of old,  
 Lighting the spark of love that fills me with dreams untold.  
 Each day I pray for evening just to be with you  
 Together at last at Twilight Time.

### 33. Venus

Hey, Venus, oh, Venus!

Venus, if you will, please send a little girl for me to thrill,  
A girl who wants my kisses and my arms  
A girl with all the charms of you.

Venus, make her fair, a lovely girl with sunlight in her hair  
And take the brightest stars up in the skies  
And place them in her eyes for me.

Venus, goddess of love that you are,  
Surely the things I ask, can't be too great a task.

Venus, if you do, I promise that I always will be true,  
I'll give her all the love I have to give,  
As long as we both shall live.

### 34. We'll Be Together Again

No tears, no fears, remember there's always tomorrow.  
So what if we have to part, We'll Be Together Again.

Your kiss, your smile, are memories I'll treasure forever.  
So try thinking with your heart, We'll Be Together Again.

Times when I know you'll be lonesome, times when I know you'll be sad.  
Don't let temptation surround you, Don't let the blues make you bad.

Some day, some way, we both have a lifetime before us  
For parting is not goodbye, We'll Be Together Again.

### 35. Watch What Happens

Let someone start believing in you, let him hold out his hand,  
 Let him touch you and Watch What Happens.  
 One someone who can look in your eyes, and see into your heart,  
 Let him find you and Watch What Happens.

Cold, no I won't believe your heart is cold  
 Maybe just afraid to be broken again.

Let someone with a deep love to give  
 Give that deep love to you, and what magic you'll see.  
 Let someone give his heart,  
 Someone who cares like me.

### 36. When The Saints Go Marching In

O When The Saints Go Marching In  
 When The Saints Go Marching In.  
 O Lord, I want to be in that number  
 When The Saints Go Marching In.

And when the sun begins to shine  
 And when the sun begins to shine.  
 O Lord, I want to be in that number  
 When sun begins to shine.

When the moon turns red with blood  
 When the moon turns red with blood  
 O Lord, I want to be in that number  
 When the moon turns red with blood.

O when the trumpet sounds the call  
 O when the trumpet sounds the call  
 O Lord, I want to be in that number  
 When the trumpet sounds the call.

O When The Saints Go Marching In  
 When The Saints Go Marching In.  
 O Lord, I want to be in that number,  
 When The Saints Go Marching In.

### 37. Yesterday

Yesterday, all my troubles seemed so far away  
Now it looks as though they're here to stay  
Oh, I believe in Yesterday.

Suddenly, I'm not half the man I used to be  
There's a shadow hanging over me.  
Oh, Yesterday came suddenly.

Why she had to go I don't know she wouldn't say.  
I said something wrong, now I long for Yesterday.

Yesterday, love was such an easy game to play.  
Now I need a place to hide away, oh, I believe in Yesterday.  
I believe in Yesterday.

### 38. You Belong To Me

See the pyramids along the Nile, watch the sun rise, on a tropic isle.  
Just remember darling, all the while, You Belong To Me.

See the market place, in old Algiers, send me photographs and souvenirs.  
Just remember, when a dream appears, You Belong To Me.

I'll be so alone without you  
Maybe you'll be lonesome too, and blue.

Fly the ocean, in a silver plane, see the jungle, when it's wet with rain,  
Just remember till you're home again, You Belong To Me.
