1. Faith.

If we have faith we'll always survive. Faith alone will keep us alive.
 Faith that we'll rise through the dark skies of rain, faith that our love will return again.
 If we could see beyond who we are, past our dim lives to the bright morning star.
 Knowing that we are but dust in the wind, all of our love will return again.
 For when we're born we're given one thing, we alone, choose what we sing.
 And our choice determines our fate. We can choose love, we can choose hate.
 If we bring love and hope to our lives, there can be no one we can despise.
 If we bring love into our hearts, in comes the light, out goes the dark..

2. A couple of swells

We're a couple of swells, we stop at the best hotels.
 But we prefer the country, far away from the city smells.
 We're a couple of sports, the pride of the tennis courts.
 In June, July, and August we look cute when we're dressed in shorts.
 The Vanderbilts have asked up for tea,
 we don't know how to get there, no sir..ee.
 We would drive up the avenue but we haven't got the price,
 We would skate up the avenue but there isn't any ice.
 We would ride on a bicycle but we haven't got a bike.
 So we'll walk up the avenue, yes we'll walk up the avenue.
 And to walk up the avenue's what we like.
 Wall street bankers are we, with plenty of currency.
 We'd open up the safe but we forgot where we put the key.
 We're the favourite lads of the girls in the picture ads.
 We'd like to tell you who we kissed last night...but we can't be cads.
 The Vanderbilts are waiting at the club.
 But how are we to get there...that's the rub.
 We could sail up the avenue but we haven't got a yacht.
 We would drive up the avenue but the horse we had was shot.
 We would ride on a trolley car, but we haven't got the fare.
 So we'll walk up the avenue, yes we'll walk up the avenue
 yes we'll walk up the avenue till we're there.

3. Friends and neighbours

When you've got friends and neighbours

All the world is a happier place.

Friends and neighbours put a smile on the gloomiest face

Just take your little troubles and share em with the folk next door,

makes it twice as easy to bear em, that's what friends are for

Cos if you've friends and neighbours

that is something money won't buy.

You can hold your head up high, although youv'e not a penny

And your house may be tumbling down.

With friends and neighbours. You're the richest man in town.

4. Goodnight sweetheart,

Goodnight sweetheart all my prayers are for you.

Goodnight sweetheart I'll be watching o'er you.

Tears and parting may make us forlorn, but with the dawn,

A new day is born. So I'll say goodnight sweetheart, sleep will banish sorrow.

Goodnight sweetheart till we meet tomorrow.

Dreams enfold you, in them dear I'll hold you, goodnight sweetheart goodnight

Goodnight sweetheart all my prayers are for you.

Goodnight sweetheart I'll be watching o'er you.

Tears and parting may make us forlorn, but with the dawn,

A new day is born. So I'll say goodnight sweetheart, sleep will banish sorrow.

Goodnight sweetheart till we meet tomorrow.

All your sadness soon will turn to gladness, goodnight sweetheart goodnight

5. Love Me Tender

Love Me Tender, love me sweet, never let me go.
You have made my life complete and I love you so.
Love me tender, love me true, all my dream fulfill,
For my darlin' I love you, and I always will.

Love Me Tender, love me long, take me to your heart.
For it's there that I belong, and we'll never part.
Love me tender, love me true, all my dream fulfill,
For my darlin' I love you, and I always will.

Love Me Tender, love me long, take me to your heart.
For it's there that I belong, and we'll never part.
Love Me Tender, love me true, all my dreams fulfill,
For my darlin' I love you and I always will.

Love Me Tender, love me dear, tell me you are mine.
I'll be yours through all the years, till the end of time.
Love me Tender, love me true, all my dreams fulfill,
For my darlin' I love you and I always will.

When at last my dreams come true, darling this I know,
Happiness will follow you, everywhere you go.
Love Me Tender, love me true, all my dreams fulfill,
For my darlin', I love you and I always will.

6. **Make someone happy**

Make someone happy, make just one someone happy.
Make just one heart the heart you sing to.
One smile that cheers, one face that lights when it nears you.
One man (girl) you're everything to.
Fame, if you win it, comes and goes in a minute.
Where's the real stuff in life to cling to?
Love is the answer. Someone to love is the answer.
Once you find him (her) build your world around him (her.)
Make someone happy, make just one someone happy
And you will be happy too.

7. **Melody of love**

Hold me in your arms dear, dream with me. Cradled by your kisses, tenderly
While a choir of angels from above, sing our melody of love.
Heart to heart forever, lips entwine. I am yours and you are mine, all mine.
Heaven wrote the music, up above, for our melody of love.

8. Memory

Midnight, not a sound from the pavement, has the moon lost her memory?
 She is smiling alone. In the lamplight the withered leaves collect at my feet.
 And the wind begins to moan.
 Memory, all alone in the moonlight. I can smile at the old days.
 I was beautiful then. I remember a time I knew what happiness was.
 Let the memory live again.

Every street lamp seems to beat a fatalistic warning.
 Someone mutters and a street lamp gutters. And soon it will be morning.

Touch me, it's so easy to leave me, all alone with the memory of my days in the sun.
 If you touch me, you'll understand what happiness is,
 Look a new day has begun.

9. Michelle

Michelle, ma belle. These are words that go together well, my Michelle.
 Michelle, ma belle.sant les mots qui vont tres bien ensemble, tres bien ensemble.
 I love you, I love you I love you. That's all I want to say,
 until I find a way, I will say, the only words I know that you'll understand.
 Michelle, ma belle.sant les mots qui vont tres bien ensemble, tres bien ensemble
 I need to, I need to, I need to, I need to, I need to make you see.
 Oh what you mean to me. until I do, I'm hoping you, will know what I mean.
 Michelle, ma belle.sant les mots qui vont tres bien ensemble, tres bien ensemble
 I will say the only words I know, that you'll understand my Michelle.

10. More

More than the greatest love the world has known.

This is the love I'll give to you alone.

More than simple words I try to say. I only live to love you more each day.

More than you'll ever know, my arms long to hold you so.

My life will be in your keeping, waking, sleeping, laughing, weeping.

Longer than always is a long long time. But far beyond forever you'll be mine.

I know I never lived before, and my heart is very sure.

No one else could love you more.

11. Night and day

Night and day you are the one. Only you beneath the moon and under the sun.

Whether near to me or far, it's no matter darling where you are.

I think of you, night and day.

Day and night, why is it so? that this longing for you follows wherever I go?

In the roaring traffic's boom, in the silence of my lonely room,

I think of you night and day. Night and day, under the hide of me,

there's an oh, such a hungry yearning burning inside of me.

and its torment won't be through, till you let me spend my life

making love to you. Day and night, night and day.

The night they invented Champagne

The night they invented Champagne, it's plain as it can be,
They thought of you and me.

The night they invented Champagne, they absolutely knew that all we'd want to do,
Is fly to the sky on Champagne, and shout to everyone in sight.

That since the world began, no woman or a man.
Has ever been as happy as we are to...night.

O'l Man River.

O'l Man River. Dat O'l Man River. He must know sumthin' but don't say nothin'
He Jes keeps rollin' he keeps on rolln' along.

He don't plant taters' he don't plant cotton,
An' dem that plants em' is soon forgotton

But O'l Man River He Jes keeps rollin' along.

You and me, we sweat and strain. Body all achin' and racked with pain.

Tote that barge! Lift dat' bale. Git a little drunk and you'll land in jail.

Ah' gits weary an sick of tryin.' Ah'm tired of livin, and feared of dyin'

But O'l Man River. He jes keeps rollin' along.

On a slow boat to China

I'd love to get you on a slow boat to China. All to myself alone.

Get you and keep you in my arms evermore.

Leave all your lovers, weeping on a far away shore.

Out on the briny, with a moon big and shiny, melting your heart of stone.

I'd love to get you on a slow boat to China. All to myself alone.

15. Nevertheless

Maybe I'm right and maybe I'm wrong,
 And maybe I'm weak, and maybe I'm strong,
 But Nevertheless I'm in love with you.

Maybe I'll win and maybe I'll lose,
 And maybe I'm in for cryin the blues,
 But Nevertheless I'm in love with you.

Somehow I know at a glance, the terrible chances I'm taking.
 Fine at the start, then left with a heart that is breaking.

Maybe I'll live a life of regret,
 And maybe I'll give much more than I get,
 But Nevertheless I'm in love with you.

16. I Don't Know Why

I Don't Know why I love you like I do,
 I Don't Know Why, I just do.
 I Don't Know Why you thrill me like you do.
 I Don't Know Why, you just do.
 You never seem to want my romancing,
 The only time you hold me is when we're dancing.
 I Don't Know Why I love you like I do,
 I Don't know why, I just do.

17. **Put on a happy face.**

Gray skies are going to clear, Put on a happy face..

Brush off the clouds and cheer up. Put on a happy face.

Take off the gloomy mask of tragedy, it's not your style.

You'll look so good, that you'll be glad you decided to smile.

Pick out a pleasant outlook. Stick out that noble chin.

Wipe off that "full of doubt look" slap on a happy grin.

And spread sunshine all over the place. Just put on a hap hap happy face.

18. **Puttin' on the Ritz**

Have you seen the well to-do up and down Park Avenue,

On that famous thorough fare with their noses in the air.

High hats and Arrow collars, white spats and lots of dollars.

Spending every dime, for a wonderful time.

If your blue and you don't know where to go to,

Why don't you go where fashion sits...putin' on the Ritz.

Different types who wear a day coat, pants with stripes and cut-a-way coat,

Perfect fits... putin' on the Ritz. Strolling up the avenue so happy.

All dressed up just like an English chappie...very snappy.

Come let's mix where Rockefellers walk with sticks.

Or umber-el-las in their mitts..... putin' on the Ritz.

19. The second time around

Love is lovelier the second time around.
Just as wonderful with both feet on the ground.
It's that second time you hear your love song sung.
Makes you think perhaps, that love like youth is wasted on the young.
Love's more comfortable the second time you fall.
Like a friendly home, the second time you call.
Who can say, what led us to this miracle we found.
There are those who'll bet, love comes but once, and yet.
I'm oh so glad we met the second time around.

20. Seems like old times

Seems like old times having you to walk with.
Seems like old times having you to talk with.
And it's still a thrill just to have my arms around you.
Still the thrill that it was the day I found you.
Seems like old times, dinner dates and flowers.
Just like old times, staying up for hours.
Making dreams come true doing things we used to do.
Seems like old times being here with you.

21. Sunrise, sunset.

Is this the little girl I carried? Is this the little boy at play?
I don't remember growing older, when did they?
When did she get to be a beauty? When did he grow to be so tall"
Wasn't it yesterday when they were small?

Sunrise, sunset, sunrise, sunset. Swiftly flow the days.
Seedlings turn overnight to sunflowers. Blossoming even as we gaze.
Sunrise, sunset, sunrise, sunset. Swiftly fly the years.
One season following another, laden with happiness and tears.

22. Till we meet again

Smile the while you kiss me sad adieu.
When the clouds roll by, I'll come to you. Then the skies will seem more blue.
Down in lover's lane my dearie.
Wedding bells will ring so merrily.
Every tear will be a memory. So wait and pray each night for me.
Till we meet again

23. Whatever will be, will be.

When I was just a little girl, I asked my mother, “what will I be?

Will I pretty? (handsome) will I be rich? “ here’s what she said to me.

Que sera, sera, whatever will be will be. The future’s not ours to see.

Que sera, sera. What will be will be.

When I was just a child in school. I asked my teacher. “what should I try?”

Should I paint pictures? Should I sing songs? This was her wise reply.

Que sera, sera, whatever will be will be. The future’s not ours to see.

Que sera, sera. What will be will be.

When I grew up and fell in love, I asked my sweetheart, “what lies ahead?”

Will there be rainbows day after day? Here’s what my sweetheart said.

Que sera, sera, whatever will be will be. The future’s not ours to see.

Que sera, sera. What will be will be.

Now I have children of my own they ask there mother (father)

“what will I be, will I be pretty? will I be rich? I tell them tenderly.

Que sera, sera, whatever will be will be. The future’s not ours to see.

Que sera, sera. What will be will be.

24. Wonderful, Wonderful Copenhagen

Wonderful, Wonderful Copenhagen friendly old girl of the town.

“neath her tavern light, on this merry night.

Let us clink and drink one down. Wonderful. Wonderful Copenhagen

Salty old queen of the sea. Once I sailed away, but I’m home today.

Singing Copenhagen. Wonderful, Wonderful, Copenhagen for me.

25: **Yes Sir That's My Baby**

Yes Sir, that's my baby.

No Sir, don't mean maybe.

Yes Sir, that's my baby now.

Yes ma'am we've decided, no ma'am, we won't
hide it.

Yes ma'am you're invited now.

By the way, by the way, when we reach the preacher,
I'll say.

Yes Sir, that's my baby, no sir don't mean maybe.

Yes Sir, that's my baby now.

26. I'll See You in my Dreams

I'll See You in my Dreams, hold you in my dreams.
Somone took you out of my arms,
Still I feel the thrill of your charms.

Lips that once were mine, tender eyes that shine,
They will light my way tonight,
I'll See you in my Dreams.

27. Young At Heart

Fairy tales can come true, it can happen to you
If you're Young at Heart.
For it's hard you will find to be narrow of mind
If you're Young at Heart.
You can go to extremes with impossible schemes.
You can laugh when your dreams fall apart at the seams.
And life gets more exciting with each passing day,
And love is either in your heart or on it's way.

Don't you know that it's worth ev'ry treasure on earth
To be Young at Heart.
For as rich as you are, it's much better by far
To be Young at Heart.
And if you should survive to a hundred and five,
Look at all you'll derive out of being alive.
And here is the best part, you have a head start,
If you are among the very Young at Heart.
